

Lunchtime Clubs in the Autumn Term

Football on the MUGA

Football is very popular at lunch times, so we have set days and times that the children can play on Monday, Wednesday and Fridays. Internal and inter-house competitions are often held and football also takes place before school during the Daily Mile.

Netball on the MUGA

Netball is played on Tuesdays' for any children that wish to participate.

Volleyball on the Muga

This is organised on Thursdays' for everyone and we have invested in new balls to help build our skills!

Table Tennis on the playground

Our new table tennis tables are proving very popular and are used daily by the children.

GUGA Fit

Our 6 GUGA Fit leaders have been specially trained by Dan White from GUGA Fit to deliver high-quality fitness sessions. As well as dance, they focus on fitness activities to improve health whilst listening to some super music!

Our **Sport's Organising Committee** are helping provide resources for all our activities – and give regular feedback on how we can improve being active at SASM
