Dear Parents/Carers,

At the end of last term we conducted a whole school questionnaire for pupils. The questions were as follows:

1	I am happy to come to school.
2	I learn a lot in lessons.
3	The school helps me to do as well as I can.
4	I know how well I am doing at school.
5	Adults in school explain to me how to improve my work.
6	Teaching at this school is good.
7	Teaching at this school helps me develop skills in communication, reading, writing and mathematics.
8	Behaviour is good in my school.
9	Behaviour is good in lessons.
10	The school deals with all types of bullying very well.
11	I feel safe when I am in school.
12	Teachers are interested in my views.

The graphs below show the results:

Individual issues have been address by staff if the child has included his/her name. Lunch comments will be passed on to the kitchen staff. The chef will be meeting with the school council. A few children commented on the toilets and will be pleased to know that they are being refurbished during the summer holiday.

One year 3 child wrote: This school is amazing and I love it. Everyone is caring and I feel very safe. I hope this comment is useful!

Yours sincerely,

Alison Vigurs
